

Authorized ShipCenter

Ship your packages via FedEx from your Tinker ITT office.

The Information Ticket & Travel Office offers FedEx shipping. FedEx shipping is reasonably priced or cheaper in many cases than most overnight shipping companies. For time-critical packages, FedEx Express offers the most reliable, time-definite delivery in 1, 2, or 3 business days, to more than 210 countries.

We offer Priority Overnight with delivery by 10:30 am the next day in most areas. Standard Overnight delivery arrives no later than close of business day, (some rural areas may take an extra day). There's also a 2 Business Days Express and 3 Business Day Express Saver package. With FedEx Express International we can ship your packages to more than 210 countries. Sorry no PO boxes or APO's included.

When shipping your package keep these tips in mind: small express boxes and envelopes are available at IT&T. Clear plastic shipping tape is most preferred; do not use masking tape, duct tape, kraft paper tape, string or rope. We prefer no paper wrapping around your packages.

For FedEx Express it is recommended that you have your package at the IT&T office NLT 230 pm to go out the same day (Mon thru Fri). If you come later than the times listed above, your package will not go out until the next business day. For more information come visit the IT&T office located in the Services Mall Bldg 478. We are open from Monday thru Friday 9am to 5pm.
